OUR WEEK OF LEARNING

Reading: We're starting a new read aloud (to be announced after break...have keep it a surprise!). Read aloud is a favorite part of our day and a chance to discuss big, meaningful topics.

Writing: We're jumping into poetry and fiction. We'll combine everything we've learned about literary devices with our creativity and unique voices.

Math: We're diving into Unit 7. This is all about geometry. You can read more about it [here](#). This unit will be heavy on new vocabulary. We'll also take our time with angles and shapes.

Theme: We're switching gears back into science. We'll explore sound waves in many different ways.

restful break!

I am sending snow clothes home. Please wash them. Boots will probably be helpful when we return, but other snow clothes will be optional.
