OUR WEEK OF LEARNING

Reading: We'll take our English Language Arts CMAS tests on Monday, Tuesday, and Thursday mornings.

Writing: We're taking a break with a short unit on Blackout Poetry. We're reflecting on our growth throughout fourth grade and then "finding" a poem in a page of text.

Math: We'll take our Math CMAS tests on Monday, Tuesday, and Thursday afternoons.

Theme: We're using all of the research we did about mining towns to create a fun project. We love choosing how to present our learning. It's going to get creative!
