REMINDERS

Thank you for helping your child set up great homework routines throughout the week! Unfinished homework is completed during choice time on Friday afternoons.

OUR WEEK OF LEARNING

Reading: We're wrapping up our read aloud *Front Desk*. We have learned so much from Mia, her family, and her experiences. Ask us about it!

Writing: It's publishing week! Look for our finished personal narratives coming home after break.

Math: Now that we're experts in multiplicative comparison (40 is 5 times as much as 8), we're jumping into measurement conversions. We will look at meters, centimeters, kilometers, grams, kilograms, liters, milliliters, pounds, ounces, hours, minutes, and seconds. Whew! That's a lot.

Theme: We're wrapping up our study of Colorado explorers and settlers with a look at the Gold Rush.
