OUR WEEK OF LEARNING

Reading: We're starting a new read aloud book, *Prairie Lotus*. We'll learn about pioneer towns, individuals, and the culture of the late 1800s American west.

Writing: We're jumping into historical narratives. We'll focus on moving west across the American landscape, which ties in nicely with reading and theme!

Math: We're wrapping up our conversions unit with a look at units of weight and an in depth study of perimeter in different rectangles.

Theme: We're creating a timeline of events in Colorado history, focusing on cause and effect. Then we'll move into mining towns. We love local history.
