OUR WEEK OF LEARNING

Reading: We're making inferences in fiction and poetry. We're also carrying this strategy of making meaning over into our independent daily reading.

Writing: We're deep into our personal narrative unit. We're focusing on adding sensory images to our writing to improve descriptions.

Math: We're looking at place value in numbers up to 100,000. What's the value of the digit 2 in the number 423,159? How does value change when you increase or decrease in place value?

Theme: We're wrapping up our study of Native Americans. We're jumping into the history of different groups moving west beginning with the Spanish.
