OUR WEEK OF LEARNING

Reading: We're using words and feelings in poetry to make inferences. We're keeping double-entry journals to keep track of what we read and inferred.

Writing: We're focusing on powerful words in mentor texts. Then we'll combine powerful words and sensory images in our own writing to bring memories and feelings to life.

Math: We're estimating by learning to round. We'll round to the nearest 10, 100, 1,000, and 10,000.

Theme: We're studying the the explorers that moved west to Colorado. We're gathering background knowledge for a fun collaboration with STEM.
