Please help your child set up good homework routines. We expect 60 minutes of reading, math fact practice, and one reader response per week.

## OUR WEEK OF LEARNING

**Reading:** We're conducting background research on historical time periods before diving into historical fiction books.

**Writing:** We're publishing and sharing our historical fiction narratives. We've had so much fun adding detail and dialogue.

**Math:** We're comparing decimals (tenths/hundredths), reviewing fractions and decimals, and taking our Unit 3 math assessment at the end of the week.

**Theme:** Important events in Colorado history leading up to the mining era. We're compiling all of our Colorado knowledge into a virtual museum focusing on CB history.

**Spelling:** We're switching spelling up second semester. We're using word sorts to compare vowel and consonant patterns this week (VC, VVC, VVC, VCe).

**Grammar:** Verbs! We're examining the differences between action verbs, linking verbs, and helping verbs.
