OUR WEEK OF LEARNING

Reading: We're comparing and contrasting a variety of texts on one subject. We'll explore all the ways to present information.

Writing: We're jumping into personal narratives. We'll use everything we've learned about good writing to tell our stories.

Math: We're starting [Unit 4](#). This one is all about hundredths and hundred thousands—both ends of the number spectrum!

Theme: We're moving into Colorado history beginning with Native Americans. We're collaborating with STEM to bring our learning to life.
