OUR WEEK OF LEARNING

Reading: We started new WIN groups this week. Ask us what we're learning. We also started a new read aloud called *Front Desk*. It's amazing!

Writing: We've done our beginning of the unit prompt and now we're learning how to make our personal narrative writing more interesting.

Math: We're looking at tenths and hundredths in real life applications. Think timing sports events and measuring with accuracy.

Theme: We dove into Native American history this week. Now we're learning about the Ute, Arapaho, and Cheyenne tribes that live and used to live in CO.
