OUR WEEK OF LEARNING

Reading: We're continuing our learning about farm workers and unions with a focus on the work of Cesar Chavez and Dolores Huerta.

Writing: We've done the research, now we're creating characters, plots, and plans for a historical narrative along the Oregon Trail.

Math: This week is all multiplication of multidigit numbers. We use partial products in fourth grade to get a good conceptual understanding. Here's a [good visual](#) to see how we multiply.

Theme: We're writing and rehearsing our Colorado explorers skits. When we're done we'll record them using WeVideo and a green screen with Ms. Moran.
