

# Fourth Grade Classroom News

THE WEEK OF: MARCH 27TH

## UPCOMING DATES

April 3rd	CMAS Testing
April 4th	CMAS Testing
April 6th	CMAS Testing
April 17th-21st	Spring Break - No School

## OUR WEEK OF LEARNING

**Reading:** This week we'll spend some time familiarizing ourselves with the CMAS ELA test. We'll look at how the test is formatted and get used to the kinds of questions asked. We'll focus on strategies to be successful.

**Writing:** We're wrapping up some writing assignments and focusing on grammar this week.

**Math:** We're spending more time with partial quotients division and reviewing some fraction concepts we learned ages ago. Then we'll familiarize ourselves with the CMAS Math test.

**Theme:** We're filming our Colorado skits with Ms. Moran (if we haven't already) and turning our mining town learning into fun projects of our choice.

## REMINDERS

Each year classes raise money for their class fund. This money goes towards field trips, projects, graduation, etc. This year, we'll be doing a **Jump-Rope-A-Thon** for the Class of 2031 fund. You will see fundraising paperwork come home on Monday. We will be jumping on Friday, May 5th at 2:45 in the MPR. All are welcome to join.
