UPCOMING DATES

March 24th Parent / Teacher Conferences (2pm-7pm)
March 31st Parent / Teacher Conferences (2pm-7pm)

REMINDERS

Our next Titan Trait is Grit!
Grit is a combination of perseverance, resilience, and purpose. We've all shared some great examples of how we demonstrate grit in our daily lives. The easiest examples to think of are athletic. Now we're working on displaying grit in the classroom when things are challenging!

OUR WEEK OF LEARNING

Reading: We're focusing on literary devices in read aloud and IDR. We're also comparing and contrasting character's feelings, reactions, and circumstances across a book.

Writing: We're learning about other CO mining towns and perfecting the art of the paragraph with our research.

Math: We're starting Unit 6. This is all about division (one-digit, two-digit, partial-quotient, remainders) and more about angles. Here is the [Home Link Letter](#).

Theme: We're finishing our green screen performances. We're shifting our focus to Crested Butte and each selecting our favorite building to explore in detail.

Spelling: The long e and long i sound at the end of a word is spelled a few different ways: many, turkey, movie, July.

Grammar: Identifying and using adverbs.
