OUR WEEK OF LEARNING

Reading: We're completing make-up assessments and jumping back into normal reading. In WIN groups we're working on vocabulary and spelling. In class we're examining multiple perspectives in *Pay it Forward*.

Writing: We're finishing up poetry publishing. There's also a special Mother's Day poem headed your way.

Math: We're wrapping up unit 8 with properties of two dimensional figures and lines of symmetry. Then we'll do a fun self portrait symmetry art project.

Theme: We're learning about energy transfer. Ask us about a Rube Goldberg machine and how it relates to Newton's Laws.

REMINDERS

We completed most of our end-of-year testing! Next week we'll finish any make-ups and reflect on our year of growth.

Here's the [Cheddar Up](#) link for the Jump Rope fundraiser, if you'd like to donate online.
