REMINDERS

Please help your child finish out the school year strong with great homework habits and routines!

We're raising money for our class fund with a Jump Rope event. Here's the [pledge sheet](#).

OUR WEEK OF LEARNING

Reading: We've started our last read aloud, *Pay It Forward*. We're ending the year strong with a theme of kindness and community.

Writing: We're focusing on poetry. We're working our way through various poem forms and strategies. We're learning about metaphors and similes, personification, tone, and fun things like alliteration.

Math: We're wrapping up our geometry unit with a symmetry art project. Geometry is a whole different kind of math brain. It's been fun to think outside the normal math box.

Theme: We're learning about soundwaves. Ask us about amplitude and wavelength.
