OUR WEEK OF LEARNING

Reading: We're wrapping up WIN groups and celebrating all the growth we've made. Ask us about our favorite books from the year.

Writing: We're learning about personal financial literacy. Look for a saving/spending game for homework.

Math: We've jumped into [Unit 9](#) - Putting It All Together. We're combining all of the operations, the fractions, the number sense, and geometry into fun and real life math scenarios. All of our hard work paid off!

Theme: We're continuing to learn about energy with experiments involving roller coasters and bumper cars. GCEA is also coming for a special presentation on energy!
