OUR WEEK OF LEARNING

Reading: We're celebrating our growth and creating Flipgrid book reviews for the classroom library.

Writing: We're taking time to write (paper and pencil) in our favorite genres of the year.

Math: We're finishing up our very own three act tasks and sending them out into the world to be solved!

Theme: We're completing STEM challenges that celebrate how far we've come in our creative thinking and teamwork this year.

Social/Emotional: We're celebrating our last week together as a fourth grade class. Look out fifth grade...but first summer!
