OUR WEEK OF LEARNING

Reading: We're completing our end of the year iReady and DIBELS assessments this week, so we'll spend time with our favorite IDR books. We're really enjoying some new chapter books that explore themes of diversity and persistence.

Writing: Now that we've explored literary devices in poetry and poetry strategies, we're drafting our own poems. We have lots to say, and we're very creative.

Math: We're completing our end of the year iReady assessment this week. We'll also wrap up Unit 7 and jump into [Unit 8](#)—more geometry with two dimensional shapes.

Theme: We're exploring the relationship between volume and pitch in sound waves and how they impact amplitude and wavelength.
