

# Fourth Grade Classroom News

THE WEEK OF: NOVEMBER 14TH

## UPCOMING DATES

November 11th	Pajama Day
November 21st-25th	Thanksgiving Break - No School
November 28th	Back to School
December 13th	Holiday Concert @ 6pm

## OUR WEEK OF LEARNING

**Reading:** We're spent a lot of time looking at character traits and character change over the course of a book. We're working really hard to apply this same level of analysis to our independent reading.

**Writing:** Our five paragraph opinion essays are really coming together. We can't wait to share them with you.

**Math:** We're looking at diagrams and multiplicative expressions with fractions. For example, can you draw a diagram of, write a story for, and find the value of  $7 \times \frac{1}{4}$ ? Can you write the value as a fraction greater than one and a mixed number?

**Theme:** We're wrapping up our study of earth changes. We're using everything we've learned to match rocks with their locations.

## REMINDERS

The Winter Concert for grades 3, 4 and 5 is scheduled for Tuesday, December 13th at 6pm in the MPR. Please plan on your child arriving that evening at 5:30pm. Your child can wear anything festive. The concert is not specific to any particular holiday, but students are welcome to dress up. Please try to avoid sweatpants and t-shirts. More details will follow as we get closer, but please save the date. If you know your child cannot attend, please email me Ms. Amanda.
