REMINDERS

We're adding math fact practice to homework.

Please use this [form](#) to let me know if you prefer Rocket Math or paper based fact practice.

If you're looking for activities over break, check out the Rube Goldberg challenge in Google Classroom.

OUR WEEK OF LEARNING

Reading: We're looking at reoccurring thoughts, actions, and ideas in a story to determine theme.

Writing: We're starting an opinion unit. Students will write a letter to the school, county, health department, or CMBR regarding COVID regulations.

Math: We're learning the game Multiplication Wrestling, continuing partial products multiplication, and revisiting number stories.

Theme: We're finishing slideshows and creating projects to display our knowledge of CO geography.

Spelling: Long i is often spelled i-consonant-e, igh, or y, as in *provide*, *flight*, and *fry*. The sound /ī/ at the end of a word is usually spelled y, as in *sky* and *deny*.

Grammar: Subject and object pronouns.
