## UPCOMING DATES

### VIRTUAL BACK TO SCHOOL NIGHT

October 12th-16th	October Break - No School
October 21st	Early Release @ 1:50pm
November 11th/18th	Parent/Teacher Conferences (2pm-7pm)

## REMINDERS

We're starting Scientist and Reporter of the Week. You can see the schedules here: scientist / reporter. You will get more information on your child's week!

## OUR WEEK OF LEARNING

**Reading:** We're starting a new read aloud book, *Wonder*. We're excited to read about another main character who overcomes challenges.

**Writing:** We're wrapping up poetry with the art of the haiku and sharing our masterpieces.

**Math:** We're diving into multiplication and learning how to do partial products.

**Theme:** We're studying changes in landscapes over time (volcanoes and rocks).

**Spelling:** Long a is often spelled a-consonant-e, ai, or ay, as in relate, exclaim, and day. The sound /ā/ at the end of a word is usually spelled ay, as in today.

**Grammar:** Simple versus compound sentences.
