## REMINDERS

We will celebrate Halloween in the classroom on Friday, October 30th.

Students may wear their costumes all day. Please refrain from face make up, face/head coverings, props, inflatable costumes, or anything that interferes with normal face masks.

## OUR WEEK OF LEARNING

**Reading:** We're looking at character development, character motivation, and interpreting character choices.

**Writing:** We're starting a new unit on myths. We'll be working on our characters/character traits, theme, and storyline.

**Math:** We're looking at multiplicative comparisons and in numbers sentences and word problems.

**Theme:** Colorado geography and regions.

**Spelling:** When writing a word that has more than one syllable, spell one syllable at a time. The way we say a polysyllabic word does not always correspond to the way it is written. For example, the syllables in puppy sound like /pŭ-pē/ but they are written as pup and py.

**Grammar:** Complex sentences.
