OUR WEEK OF LEARNING

Reading: We're finishing our read aloud, *Fish in a Tree*, and reflecting on the main character's growth.

Writing: We're publishing our first piece of writing. We'll use the peer editing process to help us along the way. Look for these coming home after October break!

Math: We're moving into fraction equivalence. We're really working on showing our thinking in pictures AND explaining our thinking in words.

Theme: We're wrapping up a unit on digital citizenship. Students have been asking for Chromebooks to come home for projects and reading resources. Please let me know if you have strong feelings about this one way or another for your family.
