## REMINDERS

## OUR WEEK OF LEARNING

**Reading:** Book clubs are in full swing. Ask us what we're reading. We're looking at themes and learning new vocabulary.

**Writing:** We're digging into the writing process...brainstorming, drafting, editing, revising, and publishing.

**Math:** We're practicing traditional addition and subtraction with regrouping.

**Theme:** We're finishing *Adaptasaurus* and reviewing "Netiquette" as we share work and interact online.

**Social/Emotional:** We're exploring themes of identity, diversity, justice, and action in our daily morning meeting.

**Specials:** We're preparing for Celebrate the Beat in music and PE with the music and movement of Afro-Cuban beats.
