online through MJ
Thomas or send in
the paper order form.

OUR WEEK OF LEARNING

Reading: We use a reading menu to to keep track of our reading work. Each week we rotate through reader response questions, a TFK, fluency, spelling, grammar, and vocabulary.

Writing: We're taking the next two weeks to explore different styles of poetry. This is a great way to add detail and description to our other writing.

Math: We're learning to read, analyze, and solve number stories with addition and subtraction.

Theme: Science! We're studying patterns in rock formations and fossils to explain changes in landscapes overtime.

Social/Emotional: In guidance with Ms. Stacey we reviewed Stop, Walk, Talk--our way of handling tricky situations.

Specials: Ms. Colleen from Celebrate the Beat is here and she is the best! We're well on our way to learning our dances and we can't wait to share the virtual performance with you!
